

# DISCOVER YOUR SOUL PURPOSE

## The Soul Star, Soul Purpose and Spirit Guide Readings

## Three readings to help you find your Soul Purpose and move forward with your life, but how?

- **You have problems**, issues, circumstances, maybe even relationship issues or major life situations that you need help with.
- **You have tried LOTS of things**, but there are still those blocks...something out of reach that you know is preventing you from moving forwards in your life.
- **You may wonder where these blocks are coming from**, and why they are affecting you. Could it be Past Lives?
- **It's frustrating because you know the blocks are there**, but you can't identify them so that you can just get on with your Soul Purpose already!
- **Learning about your Soul Blueprint**, more about your Soul Purpose--AND getting in touch with your own Spirit Guide Team is a powerful way to shift these blocks and get on with your individual life and Purpose.

## WHAT CAN I FIND OUT BY HAVING [THE SOUL STAR READING](#) THAT WILL HELP ME?

- **Think of your Soul as an eternal divine blueprint** that was created when you first became a separate consciousness.
- **As an incarnated human**, you are always part of your Soul, and your Soul is part of you!
- **In this and other lifetimes**, your Soul has unintentionally created karma that blocks your sense of who you truly are (your Soul Blueprint).
- **Karma is just a choice** that you had to make, for whatever reason, that didn't serve you in a particular life. Usually, it's because you had to survive--or stay safe.
- **Imagine a karmic pattern as a section of beads on the chain of a particular past life**, attracting what you DON'T want now!

## OK, SO CLEAR BLOCKS AND DISCOVER MY SOUL BLUEPRINT, WHAT NEXT?

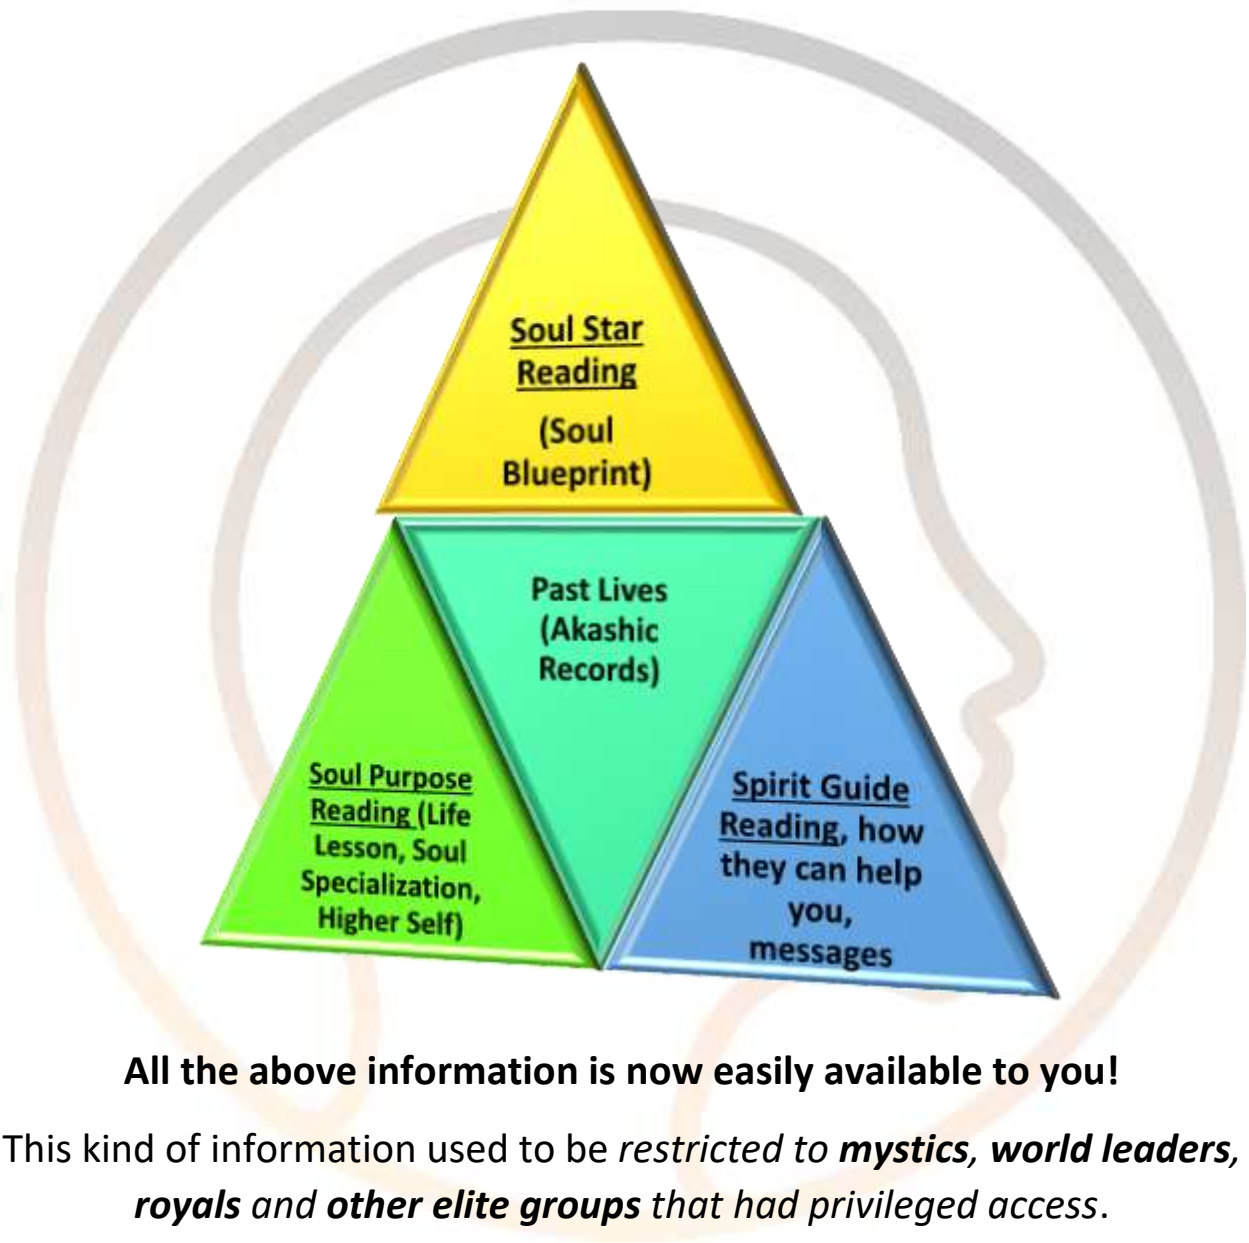

- **Your Soul Blueprint contains information about how you best create abundance in the world.** That's invaluable! You can start applying that information straightaway.
- **You will also learn about your Soul Group,** and other measurements that can be taken within your Akashic Records, which is the Record of who you are through many lifetimes.
- **All this information is validating and helpful on your journey.** *It will be those things that you always knew to be true about yourself but didn't know WHY they were that way.*
- **With the Soul Star Reading, you will receive a clearing process that you can do yourself,** to clear any karmic patterns that are ready to be released. This is in the form of a 21-day non-denominational prayer, and it's easy to do.
- **When karmic patterns get cleared, what you attract changes.** You will begin to think about different choices for your life.
- **NEXT have the [Soul Purpose Reading](#)** – you will learn about your Primary Life Lesson, (highly empowering), another aspect of your Soul Blueprint called your *Soul Specialization*, and ways to improve your connection with your Intuition, or Higher Self.

## How does the third reading, [the Spirit Guide Reading](#), help me with my Purpose?

- **Your Inner Circle Spirit Guides** are your Spiritual A-Team.
- **Create a conscious, active connection** to your Guides.
- **Learn more about your Guides**, such as their names, appearances and how each of them can help you.
- **Receive present-time messages from your Guides** to help you move forward with your Soul Purpose.
- **Discover how they connect with you (called ‘impulsing’)** so that you know how to connect with them in the future.
